**WHAT IS \$SMARTPATH?**

\$martPath is an engaging, interactive and easy-to-use way for elementary school teachers to embed relevant and fun economic and financial education in their classrooms.

All \$martPath units of study:

- Provide application for reading and math skills at grade level
- Are relevant and deliver on Ohio's New Learning Standards.
- Include embedded assessments so teachers can easily track and report on student progress
- Are fun, simple-to-run and quick so they fit into any teaching program
- Are high-quality, interactive and engaging!

**WHAT WILL YOU LEARN?**

This one-hour workshop will include a walk-through of the \$martPath platform as well as provide you with best practices for implementing the curriculum successfully in your classroom.
