

## Bags

The Instructional Bags—great to use as blizzard bags, as quick lessons for substitutes, or just when you want an easy way to try something new—give you reading and activities designed around Ohio’s Learning Standards. Literacy, careers, and financial literacy are just a few of the topics covered. Look under “Bags” in the Toolkit.

## Isearch

Start research with Isearch. Isearch searches nearly all of INFOhio’s digital journals, newspapers, eBooks, reports, fact sheets, and more from just one search box.
